

AKE Group

AKE is a leading international security risk mitigation company providing a variety of fully integrated services. AKE distinguishes itself from other security services companies by taking a proactive, intelligence-led approach to assessing, monitoring, training for and protecting against risk. We assist clients in reducing their exposure to danger across a broad spectrum of risks.

AKE Ethos

'Our objective': To support our client's operation and internal departments with a range of risk mitigation services and products. The aim of our support is to assist our clients 'to protect the integrity of the operation in order to maximise potential'. The integrity of client operation, in this context, means the unity of the whole operation and the security of physical assets; through the health and effectiveness of personnel to the relationships between the operation and the community within which it operates.

Core Services:

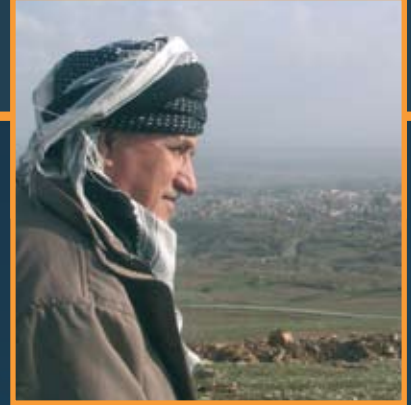

- Intelligence and political risk consultancy
- Security solutions
- Training
- Medical services
- Emergency planning and crisis management
- Insurance

Intelligence and Political Risk Consultancy

AKE has intelligence and political risk analysts with open lines of communication to AKE's worldwide security services. The department supports the public and private sectors and is based in the Lloyd's insurance market London.

Timely, explicit and actionable intelligence on a range of topics from:

- Political, terrorist and business risk
- Due diligence and security
- Hostile environments and risk mitigation
- Thematic issues
- Information collated from open, closed and privileged sources and from AKE's security risk specialists and network of contacts across the globe
- Highly focused analytical products specific to client requirements

Security

AKE has planned and orchestrated security services to the public and private sectors worldwide since its inception. Key strengths lie in AKE's personnel and its common sense approach to security and proven ability to implement cost-effective solutions on behalf of clients.

- Executive Co-ordinator (complete risk mitigation services 365, 24/7 in support of the VIP)
- Location audit and reports
- Security planning and procedures
- Security support
- Security equipment including clothing, tracking devices and vehicles

Training

- AKE Ltd is the industry leader in training civilian personnel being deployed to remote or conflict locations, and was the first company to design and deliver this type of training to the media industry in the early '90s
- AKE provides training internationally through its public courses, or privately
- All AKE trainers have been trained to teach and have a broad training experience across different industries including public and private sectors, emergency services and retail
- Medical training
- Travel safety and security awareness
- Security
- Combination of above (AKE has complimentary modules that can be tailored to suit clients' needs)
- Public courses in USA, UK, Australia
- AKE is an Edexcel approved centre offering BTEC and HSE qualification standards

AKE Group

Medical Services

AKE provides a range of medical services that are integrated with AKE's other departments which allows organisations to fulfil their Duty of Care, provide peace of mind and complete a holistic approach to mitigating risk using the same source.

- Equipment
- Briefings
- Medical emergency evacuation planning (linked to AKE's crisis management and repatriation services)
- Audits
- Training: AKE is an Edexcel-approved centre offering BTEC and HSE qualification standards

Emergency Planning and Crisis Management

AKE operates a holistic approach to emergency planning and crisis management starting with intelligence and risk analysis. AKE is the preferred support partner to clients when addressing risk and in the event of crisis. From designing bespoke packages, to training and implementation, we have conducted all aspects of risk and crisis management for clients, as well as audits of such on behalf of insurers.

Insurance

AKE's insurance services are closely linked to AKE intelligence services creating a more "complete" approach to the risk transfer process for any individual or organisation. Based in Lloyd's of London AKE is in a unique position and as such can offer unrivalled services, that include:

- Personal Cover: personal accident, disability, medical, medical evacuation, and kidnap and ransom
- Corporate Liability
- Corporate Assets
- War and Terrorism, Political Violence, Professional Indemnity, Conflict and Remote Regions

'Maximising Client Potential': If all the dangers confronting a client's operation are fully understood and properly mitigated against, most importantly that personnel have the knowledge, skills and confidence to deal with the majority of risks and dangers, and that they know and understand the procedures and contingencies in place, then there exists the potential to gain the maximum from personnel input while minimising the likelihood of becoming a victim of the danger to which they are exposed.

'Clients have problems AKE provides solutions'

AKE Standards and Qualifications

- Security Industry Authority (SIA) accredited
- Edexcel accredited
- AKE Special Risks Ltd (Insurance Services):
Authorised and regulated by the Financial Services Authority
